Your generous sponsorship or donation will support our charitable cause of serving those who serve and protect and the Sacramento Police Department K9 Association. Last year, LECS responded to over 4,000 call out and emergencies. “Run with the Cops 5k” is an event that bridges law enforcement with businesses, places of worship, and community members who support them.

LECS is a 501 (c) (3) non-profit, charitable organization. For over 40 years, LECS has been committed to serving law enforcement personnel and their families; assisting law enforcement with victims of crime and tragedies; and helping the community at large. Since 1977 individual donations, corporate sponsors, churches, clubs, and fundraisers have supported LECS. LECS is the only service of its kind that provides 24-7-365 rapid response teams alongside law enforcement agencies with on-scene emotional crisis support. LECS serves 15 different law enforcement agencies, 16 local school districts, State and County government agencies, customer-based retail businesses, and places of worship throughout the region. All emergency response services are entirely free.

Won't you join us? Your sponsorship or donation will help assure the success of “Run with the Cops 5k”. Your partnership will assure the continued relationship to better serve our law enforcement families and communities.

Sincerely,

Lisa West
